The financial instruments under consideration are Cash Equities managed by the Equities Liquid Markets Business within Barclays.

Cash Equities Costs & Charges

Costs and charges which may be applicable to the Cash Equities Content & Execution business within Barclays may be categorized as follows:

- a) Ancillary Services: Cash Equities Research/Content Sales services provided by Barclays. This entails Content commissions in relation to Research & Sales Content services provided to the client.
- b) Transaction related: Cash Equities Execution services provided by Barclays. This entails commission charged in relation to brokerage/execution services provided to the client or fees in relation to reception and transmission of orders and coordination of access where we introduce the client to a local broker to provide execution services in respect of certain specified markets. These fees will be charged on each transaction.
- c) Non Transactional Costs e.g. connectivity or other technology costs
- d) Other Charges e.g. Funding/Stock Borrow lending charges in event of settlement failure, other Exchange charges (e.g. order to trade ratio fees relating specifically to the client's activity)

Third Party Market Fees & Taxes

Note that in some cases, Barclays is obliged to pass some costs and charges to clients on behalf of third parties. These do not represent a cost or charge levied by us although we are obliged to collect them on behalf of the relevant government agency, or they are a straight pass through of the fees charged by other participants to the trade. These include, but are not limited to:

- Financial Transaction Taxes or related execution fees collected on behalf of National Tax Authorities, Regulators or Venues (e.g. UK Stamp Duty Reserve Tax, UK PTM Levy, Italian Financial Transaction Tax, Italian HFT Tax, French Financial Transaction Tax, Irish Stamp Tax, South African Securities Transfer Tax, Greek Sales Tax, Greek Transfer Fee, Irish PTM levy).
- Stock Buy in /settlement failure penalties.
